## April Praise/Prayer Letter

**Dear Ministry Partners,**

April was a month overflowing with blessings in our deputation journey. As we travel from church to church, connecting with believers across the country, we continue to be overwhelmed by the love, encouragement, and generous support we receive from God's people. Each encounter is a reminder that this journey is not about geography—it's about people. I'm often brought back to a Missions Conference I attended as a student while at Baptist Bible College, hosted by High Street Baptist Church. The theme was, *"It's not about the place, but about the people."* That truth still resonates deeply with us. Our calling is to view every corner of the world through the lens of the gospel—and to carry the Good News to those who have yet to hear.

We began this month in Oklahoma, starting with **Harvest Baptist Church** in Claremore. This church already held a special place in our hearts, as my brother- and sister-in-law once served on staff there. Pastor Tim and Teresa welcomed us warmly and cared for us so graciously. I had the opportunity to preach during the main service while Brenna shared her testimony during Sunday School. We are honored to have Harvest Baptist Church join us as partners in reaching the people of Nepal.

From there, we traveled to Owasso for the World Missions Conference at **Friendship Baptist Church**. Pastor Linzy Slayden and the entire team at FBC went above and beyond to make our time there unforgettable. From helping with vehicle needs to arranging chiropractic care and blessing us with their generosity, they demonstrated Christ's love in action. We are so grateful for their partnership in the gospel. While at FBC, we were also blessed with a wonderful host family who cared for us so kindly during our stay, and we are honored to now count them as dear friends.

The next two weeks were spent with our beloved home and sending church during Palm Sunday and Easter. What a joy to worship with our church family and reflect on the resurrection of our Savior! I am humbled by the reality that we serve the only true Risen Savior—and even more so, that we are called to proclaim Him to the people of Nepal, whom we deeply love. May the resurrection always compel us to boldly share Christ in our communities and around the world.

As April came to a close, I had the privilege of visiting **Ambassador Baptist Church** in Wadsworth, OH. It was a wonderful time of fellowship with Pastor Dakota, the deacons, and the congregation. Their evident passion for missions deeply encouraged me, and we look forward to partnering together in reaching the unreached.

We are also thrilled to share that **Creekside Community Church** in Traverse City, MI, and **Cornerstone Baptist Church** in Swartz Creek, MI, have officially taken us on for support. Thank you for entrusting us to represent you and, more importantly, to serve our Lord faithfully as we carry the gospel to Nepal.

Earlier this month, my time in Acts 10 left a deep impression on my heart. Cornelius received a vision. So did Peter. **But it wasn't until Peter spoke the gospel that Cornelius understood the truth.** The angel did not share the message of salvation—God chose a man to deliver it. This divine pattern repeats throughout Scripture and history: **God uses people like us to proclaim His message.** What a sobering and glorious calling. Let us never forget the privilege and responsibility we have to obey the Great Commission.

May God already be preparing the “Corneliuses” of Nepal—those whom He is drawing to Himself—and may we be faithful to walk through the doors He opens to share Christ with them.

## Prayer Requests

As we continue this journey, we ask for your prayers in the following areas:

 **That our calendar would be filled with the right partners**—churches and individuals who have a heart for missions and a desire to reach Nepal with the gospel.

 **For safety as we travel this month**, that God would protect us on the road and grant us strength for the journey.

 **That our one-time special needs would be fully met**, providing the necessary resources for our ministry.

 **That we would be an encouragement to every church we visit**, inspiring

congregants to be actively involved in God's mission, whether through prayer, giving, or going.

Together, as partners in the gospel, may we continue to serve our Lord faithfully.

With gratitude,

Trusting in Christ,

Dr. Kshitiz Sharma Ghimire, D.Min
